Coming southbound on Southern boulevard the other driver proceeded to turn left through the green light when we were already less than ten feet away. I motioned her slow down so that I wouldn't avoid her. We collided while she was turning through the light without an arrow.

X The light was red. As it turned green, the lady in ~~the~~ front of me looked as tho she was looking for something in her middle ~~cons~~ console So I beeped my horn. I thought she was going straight because she did not have her turning signal on, but as soon as ~~she~~ I beeped she turned left hitting the car. I believe her license plate was FIC 3132. I was the car behind her.
