

Natural Gas Program Frequently Asked Questions

(Youngstown – September 2020 Update)

Program Supplier	Constellation
Program Rate	\$3.12/Mcf Oct-2020 through Sep 2023. No ETF.
Supplier Phone	833-969-2854

Who is the natural gas supplier for the City's program?

Constellation NewEnergy won a competitive proposal and was chosen as the endorsed supplier for our City's program through September 2023. Constellation is certified by the Public Utilities Commission of Ohio, and currently supplies customers and governmental aggregation programs across Ohio.

What is our program's rate for gas?

Through its bulk buying power, Youngstown was able to establish a 36-month fixed rate of \$3.12/Mcf for the gas supply consumed during the period of October 2020 through September 2023. This rate has no penalty if you decide to leave early.

What type of program does Youngstown have?

Youngstown has an endorsement program. This means that only people who actively wish to participate will be included in the program.

Whom do I call if I have a problem with my natural gas service?

Dominion Energy Ohio (DEO) will continue to deliver your natural gas and maintain the pipeline system that brings it to your home or business. You will continue to call DEO 1-877-542-2630 for emergency repairs or gas leaks. For non-emergencies such as billing questions, service turn on or turn off, call 1-800-362-7557.

Will it cost me to join the program?

No. Enrollment in the program is free but you will need to take action. You only need to be eligible to participate. Please refer to the eligibility criteria shown below.

How can I sign up for the program?

1. by Mail. Return the attached enrollment form (pre-paid and pre-addressed) to Constellation at the address shown on the solicitation letter that arrives at your home.
2. by Phone: Call Constellation at 833-969-2854
3. online: visit constellation.com/oh-youngstown

Is everyone eligible for the program?

No, by law there are certain limitations on eligibility and the program is designed for residents and small businesses within the community limits. Here are the criteria for member eligibility:

1. you must be a resident or business owner located within the community limits,
2. you must not be a PIPP (percentage of income payment program) customer;
3. you must not be in arrears on your bill payment; and
4. you must not be a mercantile customer (natural gas commercial accounts using over 500 Mcf/year).

When does the new offer start?

Customer switching takes place when meters are read. Therefore, your start date will depend on when DEO reads your meter and when you enroll. Your service from Constellation is expected to begin with your October 2020 meter read.

Will I get two bills?

No. For your convenience, you will continue to receive only one bill from DEO. It will show DEO's delivery charges and the supply charge amount owed Constellation. DEO continues to read your meter, issue monthly bills and responds to all service calls.

Can I remain on budget billing?

Yes. If you are on budget billing, you will remain on budget billing. (Note: DEO calculates your monthly budget amount each month by summing your total delivered gas cost on a rolling 12-month basis and dividing that total by average monthly usage in the same 12-month period.)

Can I exit this program without penalty?

Yes. A very attractive feature of our program is your ability to leave free of charge at any time for any reason. After you join the program, expect to receive a confirmation notice from DEO giving you 7 days to cancel the enrollment. If you wish to remain in the program, simply ignore that letter. If you would like to choose another supplier or return to the utility company supply, notify Constellation at 833-969-2854. If you leave the program it may take one to two utility billing cycles before the switch appears on your utility bill.

My friend lives in a nearby community and has a different rate from Constellation than mine. Why?

Natural gas prices are highly volatile. Market rates change often and quickly. Price differences between communities will vary based primarily on the contract term and the dates on which pricing was secured for the community.

Can I enroll if I do not receive a Solicitation Letter?

Yes. During the initial enrollment, any eligible resident that does not receive a letter from Constellation may contact them directly at 833-969-2854 to enroll in the program.

Can I enroll after the initial enrollment period?

Constellation will always try to accommodate residents should they wish to enroll after the initial enrollment period. However, Constellation reserves the right to decline late enrollments depending on market conditions.

Can I enroll even if I currently purchase my gas from another supplier?

Yes. Before you sign up, you should check to see if your current supplier charges an early termination fee. All residents should check the terms and conditions of their current contract for more information.

What happens if I'm part of the program and I move?

A resident moving within the same community can stay in the program by providing Constellation with their new address. If a resident moves out of the community or does not provide Constellation their new address, their participation will end and no early termination fee will apply.

This sounds complex. Is our community qualified to handle such a program?

We have retained Independent Energy Consultants, Inc., a PUCO certified broker and aggregator of electric and natural gas, without using any taxpayer money. **They have designed, implemented, and administered hundreds of similar successful gas and electric programs across Ohio.** We will have their assistance and that of Constellation throughout the program.

How do I contact Constellation?

Constellation's customer service department is open 24 hours a day, 7 days a week. You may call them toll free at 833-969-2854.

These FAQs help but I still have a question?

If you have additional questions please call Constellation at 833-969-2854 24 hours a day, 7 days a week. For general information on natural gas deregulation in Ohio, you can visit the Web Sites of the Ohio
