1

Application Process

The Small Business Boost Grant - Program Application can be completed at youngstownohio.gov/sbbp.

2

Initial Assessment

Clients who complete the program application and submit required supporting documents will undergo an internal review to confirm program eligibility and compliance.

3

Review Committee

Clients who successfully complete their internal review will go before the Grant Program Review Committee for external review and approval of use of funds.

4

Distribution of Funds

Clients who successfully complete their external review will be approved for requested grant funds. Check requests will go before Board of Controls (BOC) and their grant funds will be sent via mail.

5

Technical Assistance

Once grant funds have been distributed, clients will complete on boarding and action planning through our Technical Assistance Program.
