*You can avoid points on your license  
with the Traffic Safety Program!*

If you complete the Traffic Safety Program (TSP), your case will be dismissed. *This means you won't get points on your license.* Too many points means your license can be suspended, and having any points at all may cause your insurance rates to go up.

*You are eligible for the Traffic Safety Program if:*

- You are charged solely with minor misdemeanor traffic violation(s),
- You have not completed the Youngstown Municipal Court's Traffic Safety Program within the past four years,
- You do not have a Commercial Driver License (CDL), and
- You can provide proof of auto liability insurance covering the date you received the traffic ticket.

*Program Details*

- When you finish the program, Safe Driver Online will electronically notify the Youngstown Municipal Court that you have completed the program.
- If you apply for the TSP, you will not be entitled to any refund of money paid to the Youngstown Municipal Court or to Safe Driver Online.
- If you apply for the TSP but don't register at [SafeDriverOnline.com](http://SafeDriverOnline.com), or if you don't complete it by the deadline, the Court will send a record of your guilty or no-contest plea to the Ohio BMV. At that time, the Ohio BMV will most likely put points on your license.
