

Citizen Safeguard Program

Youngstown Fire Department is proud to announce
the **Citizen Safeguard Program**, featuring **Knox Home Box**.

If you have fallen, or have been immobilized in some way and are unable to answer the door – Knox Home Box is the solution. Knox Home Box is a high security, residential grade, key safe that is mounted on the exterior of your home or door. The Home Box grants our Fire Department damage free access to your home in your greatest time of need.

Affordable and easy to install, Knox Home Box is the solution for our seniors, disabled, and those living alone.

As part of the Citizen Safeguard Program,

Youngstown Fire Department is offering installation assistance for those that qualify.

Please contact Youngstown Fire Department – Fire Prevention Bureau at (330)747-7403 x 1025 for details.

THE BOX THAT HOLDS
— THE KEY —
TO YOUR SAFETY.
