

YOUNGSTOWN LOCAL OFFICE ON MINORITY HEALTH

Community Health & Needs Survey

Your Voice Matters!

The Youngstown Local Office on Minority Health (YLOMH) is committed to improving the health and well-being of minority and underserved communities. This brief survey will help us better understand community health concerns, barriers to care, awareness of available resources, and opportunities to improve our programs and outreach. Your responses will help guide future health education, programs, partnerships, and community initiatives.
