

Youngstown Police Department is taking a stand for the kids in this community. Photo Enforced School Zones have already started in ten schools with plans to install them in phases throughout Youngstown.

SCHOOL ZONE PHOTO SPEED ENFORCEMENT IS HERE

YOU CAN HELP BY DOING A FEW THINGS

1. Slow down - We want to change driver behavior, not issue citations.
2. Pay attention to posted times and speeds , every school is different.
3. Refrain from driving distracted , It only takes seconds to take a life.
