Term: My service will begin within one to two billing cycles after my enrollment or rate change is confirmed with the utility company and shall continue through the **October 2024** utility billing cycle ("Primary Term"). Thereafter, my service will continue month-to-month unless the natural gas program for my community continues with IGS Energy ("IGS") as the supplier, in which case the term will renew consistent with such renewal program ("Secondary Term") until canceled by notice as provided by this Agreement. IGS Energy will supply the commodity portion of my natural gas and Dominion Energy Ohio (DEO) will be my Natural Gas Distribution Company ("NGDC"). I can contact the IGS Energy choice department by phone at 1-877-353-0162, by fax at 1-800-584-4839, in writing at P.O.Box 9060, Dublin, OH 43017, or through their web site at <http://www.igsenergy.com>.

Regulatory: The NGDC's choice program and the natural gas program for my community are subject to ongoing Public Utilities Commission of Ohio (PUCO) jurisdiction, and I understand that if the choice program is terminated, this Agreement may be terminated, without penalty to either party.

Price: My price through the October 2024 NGDC billing cycle shall be a fixed rate of \$3.93 per MCF, which does not include applicable sales tax or NGDC transportation and other charges. After my billing cycle, if the natural gas program in my community continues with IGS Energy as supplier, my price will be equal to that determined by my community and IGS Energy. If my community does not continue with IGS Energy as the supplier after the October 2024 billing cycle this Agreement shall also terminate and IGS Energy will return me to my NGDC for commodity service.

Renewal: If the natural gas program continues for my community beyond the Primary Term with IGS Energy as the supplier, IGS Energy will send me notice of renewal along with any changes to this Agreement, including but not limited to notice of my pricing and any other changes. If for any reason I do not wish to continue, I may cancel this Agreement as provided below. If I do not cancel, the Agreement will renew, and any changes to the terms and conditions will become effective for my Secondary Term. If my community natural gas program does not continue then this Agreement shall also terminate and IGS Energy will return me to my NGDC for commodity service.

Rescission Period: If I am a new customer to IGS Energy this Agreement may be rescinded by me with no cancellation fee by: (1) contacting the NGDC in writing or by telephone at the number provided on the confirmation notice within 7 business days from the post-mark date of the confirmation notice sent by the NGDC ("Rescission Period"), or (2) cancelled by contacting IGS Energy in writing or by telephone within 30 days of enrollment with IGS Energy. If I am an existing customer I will not receive a confirmation notice from the NGDC regarding this enrollment, but regardless either party has 7 calendar days from enrollment on this Agreement to rescind this enrollment, in which case I will be returned to my previous agreement with IGS Energy, without penalty under this Agreement.

Billing: For my convenience I will receive only one bill, which will be issued by the NGDC each month and will contain IGS Energy's gas price plus applicable taxes and all of the NGDC's transportation and other applicable charges, including any late fees assessed by the NGDC. I agree to continue to pay the NGDC for the entire gas bill under the NGDC's payment terms and conditions. If I pay under the budget bill payment plan, I understand that this service is available and will remain available. IGS Energy reserves the right to issue an invoice to me directly, such invoice would contain IGS Energy's gas price and may also contain applicable taxes and all of the NGDC's transportation and other applicable charges. If IGS Energy invoices me directly and I fail to pay within the terms specified on the invoice(s) a late fee of 1.5% per month on all past-due amounts will apply. If IGS Energy bills me directly for services provided, IGS Energy may terminate this Agreement with fourteen (14) days written notice should I fail to pay the bill or meet any agreed-upon payment arrangements. If I fail to pay my invoices timely which include IGS Energy charges, the NGDC may disconnect my service, according to tariff guidelines. I may request, at no charge, up to 24 months of my payment history for services rendered by IGS Energy. Other than for operation, maintenance, assignment and transfer of my account or, where IGS Energy is performing billing services, or for commercial collections, IGS Energy will not disclose my account number to any other third party without my affirmative written consent or electronic authorization or pursuant to a court or Commission order and that, other than for credit checking and credit reporting, if IGS Energy is performing billing services, IGS Energy will not disclose my social security number without my affirmative written consent or pursuant to court order. I authorize IGS Energy to obtain my billing payment and usage history from the NGDC.

Cancellation: Either party can cancel this Agreement within the first 30 days of enrollment with IGS Energy by providing the other with notice of cancellation, with no cancellation fee. At any time during my Primary or any renewal period, either party can cancel this agreement with notice to the other, without a cancellation fee. Cancellation notices provided after the NGDC deadline may result in additional month(s) of service beyond the cancellation notice date, as the effective date of all cancellations are subject to NGDC guidelines and I agree to continue to pay for my service with IGS Energy. I understand that if I switch my service to another supplier or back to the NGDC an NGDC switching fee may apply under the NGDC's tariff and the NGDC may charge a price other than the NGDC commodity rate.

Contact and Dispute Resolutions: In the event of a billing dispute or issues regarding volume or metering, I should contact the NGDC at the number listed on their bill. For other questions or concerns about pricing, I can contact the IGS Energy choice department by phone weekdays from 8:00 a.m. to 8:00 p.m. EST at 1-877-353-0162, by fax 1-800-584-4839, in writing at P.O. Moving/Termination: I understand that this contract will automatically terminate, without penalty, if I relocate outside the NGDC service territory, or if the requested service location is not served by the NGDC. Furthermore, participation in the program is subject to the rules of the NGDC and customers are sometimes terminated or not enrolled in the program due to NGDC issues. In such instances, I can contact the NGDC to correct the problem and be reinstated or enrolled in the residential program. Regardless of the reason for termination, in no case will the original term be extended for months that I was unable to participate nor will IGS Energy have any liability for any early termination or for any months that I was unable to participate in the program.
