Leaf Collection Set-out Guide

- 1) Fill bags with **leaves** – not sticks, twigs or branches. It is OK to mix a few sticks. However, we cannot compost bags that are full of twigs and leaves.
- 2) It's OK to put your bags at the curb in the rain. They are made to handle it.
- 3) Put bags at the curb on your regular trash day **STARTING Monday, OCTOBER 30th through Friday, DECEMBER 1st. Bags will be collected on Monday, Wednesday, Friday, & Saturday only!** Make sure they are at the curb no later than 7:00 AM.
- 4) Don't be surprised if your leaf bags and trash are taken at different times during the day. Two separate crews will be collecting trash and leaf bags. They will not get to your house at the same time.
- 5) The leaf bag crew will be going up and down every street on their trash day, so you **DO NOT** need to call us to let us know to come and get your leaf bags.
- 6) If you have your leaf bags out at the curb before 7:00 AM and your leaf bags have not been picked up by 3:00 PM, please call us at 330-744-7526. We will pick them up the next scheduled date or by the end of the week.
