The CAPER serves as the year-end summary report of the activities undertaken by the City and subrecipient agencies during the most recent program year (July 1, 2018 through June 30, 2019). The CAPER also provides an evaluation of how consistent these activities were in relation to the goals and objectives set forth in the City's existing Five-Year Consolidated Plan and Annual Action Plan. This report is submitted as a U.S. Department of Housing & Urban Development (HUD) requirement.

The purpose of the 15 day review period (September 10 - September 25) is to allow citizens the opportunity to view and comment on the activities during the program year. Comments will be accepted until September 25, 2019 and will become part of the submission to HUD.

All interested citizens are encouraged to forward written comments to:
