SUBJECT: PLACEMENT OF BOOM TRUCK AT 26 MARKET ST

DATE: OCTOBER 26, 2026

As requested, permission is granted to close both southbound lanes of Market St. between the intersections of Federal St. and Boardman St. on Monday October 26th from 7:00 am to 5:00 pm. It is understood that the closure is necessary to place a boom truck for the work required to remodel the upper floor apartments of the building.

This approval is conditional of proper road closure signing as well as current liability insurance on file at this office. If the road closure is to extend past any hours as outlined above, 24-hour notice must be given to this office prior to mobilizing any equipment and closing any roadways. The permission granted in this letter is valid for the date and hours listed above.

The City of Youngstown reserves the right to revoke this permission at any time in the event that the Department of Public Works deems any part of your operations as being a threat to public safety, or potentially damaging to the public infrastructure system.

Sincerely,

If you have any questions, feel free to contact this office.

Sincerely,

Deputy Director of Public Works
