Leaf Collection Set-out Guide

- 1) Fill bags with leaves – not sticks or branches. A few sticks mixed in are OK, just not a whole bag of sticks.
- 2) It's OK to put your bags at the curb in the rain. They are made to handle it.
- 3) Put bags at the curb on your regular trash day starting **STARTING NOVEMBER 2nd**. Make sure they are at the curb no later than 7:00 AM.
- 4) Don't be surprised if your leaf bags and trash are taken at different times during the day. Two separate crews will be collecting trash and leaf bags. They will not get to your house at the same time.
- 5) The leaf bag crew will be going up and down every street on their trash day, so you **DO NOT** need to call us to let us know to come and get your leaf bags.
- 6) If you had your bags out at the curb before 7:00 AM and your leaf bags have not been picked up by 3:00 PM, please call us at 330-744-7526. We will send someone out to get them ASAP.
