## **MOSQUITO CONTROL PUBLIC NOTICE**

The Youngstown City Health District in cooperation with Alexander's Pest Control will be conducting mosquito fogging in areas limited to the east side of Youngstown. The areas are selected for adult mosquito control are primarily in the least populated areas and where vegetation is dense and areas are wet.

Presuming weather conditions are conducive, the fogging will commence after 7:00 p.m. on the evening of June 21, 2018.

For information on mosquito control or the mosquito control program, please contact the Youngstown City Health District at 330-742-8283.
