Youngstown garbage collection requires all mattresses to be wrapped in plastic for pickup. If you have a mattress, it must be wrapped before the garbage truck will remove it from your curb.

Please place your mattress inside this plastic bag and tape it shut with heavy-duty tape (like duct tape, masking tape, etc.)

This will help stop the spread of bed bugs in Youngstown.

Thank you for your cooperation! If you have any questions, please call Green Youngstown at 330-744-7526.
