TO: ALL LOCAL NEWS MEDIA

FROM: CHARLES T. SHASHO, DEPUTY DIRECTOR OF PUBLIC WORKS 

RE: TRAFFIC SIGNAL UPGRADING ON GLENWOOD AVE.

DATE: SEPTEMBER 11, 2019

**For Immediate Release to all News Media**

*Beginning on Monday, September 16, 2019, work will begin to upgrade traffic signals at two (2) intersections along Glenwood Avenue in the City of Youngstown. The affected intersections are: Glenwood Avenue at Canfield Road, and Glenwood Avenue at Indianola Avenue.*

*The work is part of a \$260,000 project to enhance pedestrian and vehicular efficiency and safety along the Glenwood Ave. / Canfield Rd. corridor. During the traffic signal upgrading process, all-way stop signs will be erected at each intersection during the time period that the traffic signals are non-operational. Traffic signals at only one intersection will be out of service at any given time. The total duration of the work is expected to be approximately 3-4 weeks.*

*During the work period, motorists are strongly cautioned to be aware of changing traffic conditions, and to pay close attention to all newly placed stop signs and construction signs in the vicinity of the work.*

Charles T. Shasho  
Deputy Director of Public Works
