**In re: Restricted Access to City of Youngstown Henry Stambaugh Golf Course Parks & Recreation Garage. Non-Essential Employees and the Public are excluded from City of Youngstown Henry Stambaugh Golf Course Parks & Recreation Garage.**

In an effort to protect the public and employees, I, Erin M. Bishop, Health Commissioner of the City of Youngstown, pursuant to the authority granted to me in R.C. 3701.13 to “make special orders... for preventing the spread of contagious or infectious diseases” **Order** the Henry Stambaugh Golf Course Parks & Recreation Garage 202 Gypsy Lane, Youngstown, Ohio 44505 **restricted** effective March 23, 2020 at 4:00 pm. I make this Order to avoid the imminent threat with a high probability of widespread exposure to COVID-19 with a significant risk of substantial harm to a large number of people in the general population, including the elderly and people with weakened immune systems and chronic medical conditions.

Effective 4:00 p.m. March 23, 2020, the operations at Henry Stambaugh Golf Course Parks & Recreation Garage will be reduced to essential employees. Employees who can perform their job duties remotely will be instructed by their Department Head, Ms. Dawn Turnage to do so. There will be no public access to the City of Youngstown Henry Stambaugh Golf Course Parks & Recreation Garage.

All employees that are not working must be following the Ohio Department of Health Director's Stay at Home Order. Please continue to follow prevention techniques as recommended by the Center for Disease Control (CDC) and Ohio Department of Health (ODH): Practice proper handwashing, proper sanitizing of surfaces and social distancing of 6 feet if you must leave the house.
