Public Notice

City of Youngstown Long-Term Control Plan Public Meeting

The City of Youngstown invites residents, businesses, property owners, and interested community members to attend a public meeting regarding the City's Long-Term Control Plan and related sewer infrastructure improvements.

Date: Tuesday, August 25, 2026

Time: 5:00 p.m.

Location: Community Room, Covelli Centre

229 East Front Street

Youngstown, Ohio 44503

The meeting will provide an overview of the City's Long-Term Control Plan, including current and upcoming improvements to reduce sewer overflows, increase treatment capacity, and support long-term water quality goals. The presentation will include updates on the Mill Creek Sewer Project, the CSO 6057 wet weather project, anticipated construction and community impacts, project benefits, funding considerations, and future opportunities for public engagement.

Following the presentation, attendees will have the opportunity to review informational boards and speak with project representatives about construction impacts, project benefits, funding, and technical questions.

All interested members of the public are encouraged to attend.
