

SMALL BUSINESS BOOST GRANT PROGRAM

Youngstown Small Businesses Get a Boost with New Grant Program

Youngstown, OH (April 29, 2024): The Intentional Development Group is proud to announce The Small Business Boost Grant, a program designed to empower local entrepreneurs and strengthen the City of Youngstown's economic landscape. The Small Business Boost Program, will be managed by The Intentional Development Group with funds provided by the City of Youngstown that will help boost the economic impact of Small Businesses.

Grant Funding to Fuel Local Growth

The Small Business Boost Grant offers financial assistance to eligible small businesses within Youngstown city limits. This critical funding will help local ventures overcome challenges, expand operations, and achieve their full potential.

Building Capacity for Long-Term Success

Beyond financial support, the program emphasizes long-term sustainability for participating businesses. Recipients will be required to participate in a technical assistance program. This program provides valuable tools and resources to build business acumen and ensure future success.
