# Summer Day Camp

## Summer Camp Registration Update

**We have officially reached capacity for this year's summer camp!**

At this time, we will begin accepting **a limited number** of waitlist applications. If spots become available, families on the waitlist will be contacted in the order applications are received.

If you have already picked up a registration packet, please return it as soon as possible to be considered for placement on the waitlist.

**Please note:** Picking up a packet does not guarantee placement or a spot on the waitlist. A completed and submitted application is required.

We are currently not distributing new packets.

Thank you for the overwhelming interest—we're looking forward to a great summer!
