Mahoning Avenue Fall Fest promises a host of activities Saturday, September 14, 2019

YOUNGSTOWN – The treasures of Mahoning Avenue will be celebrated for the fifth straight year at the annual Mahoning Avenue Fall Fest, scheduled for 11 a.m. to 4 p.m. Saturday, Sept. 14, between Steel Street and McKinley Avenue in the West Side's historic Garden District.

The fest will feature a host of family-friendly activities, including a farmer's market offering produce and baked goods, an art sale, and mini pumpkins for kids to paint, courtesy of the Garden District Neighborhood Association. There will be a music jam session at Huck's Motors on the corner of Milton and Mahoning avenues, as well as a large trash & treasure sale featuring a variety of items. Area businesses will also participate. The Kelly's and Casa Ramirez will give away Fall Fest 5th Anniversary commemorative pint glasses free with a beverage purchase (while supplies last - see attachment).

This year we have added a Corn Roast and the Rocky Ridge Neighborhood Association will have locally made Mill Creek Maple Syrup for sale.

The purpose of the event is to demonstrate the vibrancy of the community and try to catalyze more permanent improvements in the future that will support and promote local artists and businesses.

Supporters of the event include the City of Youngstown, 4th Ward Councilman Mike Ray, Garden District Neighborhood Association, Rocky Ridge Neighborhood Association, Paisley House, City of Youngstown Community Police, Huck's Motors, Casa Ramirez, Kelly's and Economic Action Group, Inc.
